We will also be discussing the reality of your inspirations taking all elements of design into consideration. We will go through some different styling options and gain confidence in the custom design. Please bring all hair attachments, broaches, flowers, veil, etc. This will also allow us to determine if additional filler air/attachments are needed. The 2nd trial run allows us to perfect the design and make any final tweaks that are necessary. This allows for complete relaxed confidence the day of your wedding/event. Trial runs are not required, but strongly recommended.
